

Just One of Those Things

All singers unison (Double speed)

It was just one of those things

Just one of those crazy flings

Basses:

One of those bells that now and then rings

Sopranos & Altos:

Just one of those things

All singers harmony:

It was just one of those nights

Just one of those fabulous flights

A trip to the moon on gossamer wings

Just one of those things.

If we'd thought a bit of the end of it

when we started painting the town,

we'd have been aware

that our love affair

was too hot, not to cool down.

So goodbye dear and Amen

Here's hoping we meet now and then.

It was great fun But it was just

Just one of those things

One of those things
