

We will survive. (U3A, Covid-19)

At first we were afraid, we were petrified

Kept thinking we would go insane

if we just stayed inside.

But then we spent so many hours

trying great new songs to play.

Then sing along.

Thanks to the Choir at U3A

And so we got,

more toilet rolls,

And then we raided every

pharmacy for Panadol.

We bought up every tin of beans,

and we filled up the deep freeze,

Now we're ready for the future

living in a state of siege!

So now we can't - go out the door

and yoga classes

'Cause they're not open any more.

And now - we turn

to learning languages online,

We're going to make it

And soon we'll all be doing fine!

Oh Yes, We will! We will survive

And all our friends at U3A

will help us - all to stay alive.

We've got a pantry full of food

And a cupboard full of wine

and we'll survive

We will survive, hey hey

We can talk to all our friends
on the internet.

And so there's lots of thing to do

If we self-isolate.

There's no need to spend your time
just feeling sorry for yourself.

With U3A

We all can raises our voices high!

So here we go, we sing along

And even though we're stuck indoors

We still enjoy ourselves.

So if you felt like coming round

and just expect me to be free.

Well now I'm keeping all my doors shut
and my house is virus free.

So now we can't - go out the door

and do life drawing

'Cause they're not open any more.

And now - we turn

to learning Songs in French online,

We're going to make it

And soon we'll all be doing fine!

Oh Yes, We will! We will survive

And all our friends at U3A

will help us - all to stay alive.

We've got a pantry full of food
And a cupboard full of wine
and we'll survive
We will survive, hey hey
Oh - So now we can't -
go out the door
and do gymnastics
'Cause they're not open any more.
And now - we turn
to learning cookery online,
We're going to make it
And soon we'll all be doing fine!
Oh Yes, We will! We will survive
And all our friends at U3A
will help us - all to stay alive.
We've got a pantry full of food
And a cupboard full of wine
and we'll survive
We will survive,
We will survive,
