Angel I love you angel
Angel I love you angel

I would marry you, I would marry you sister

I am struggling with wealth
I would marry an Angel
I am struggling with wealth
I would marry an Angel

Money hurts my soul
Money hurts my soul

And what should I do, fellow boy

I am struggling with wealth
I would marry an Angel
I am struggling with wealth
I would marry an Angel

Mock, you didn't think the dick
Mock, you didn't think the dick

I would marry you, I would marry you sister

I can't afford the property
I Would Marry An Angel
I can't afford the property
I Would Marry An Angel

Angel I love you angel
Angel I love you angel

I would not owe you, would you marry a
sister

I am struggling with wealth
I would marry an Angel
I am struggling with wealth
I would marry an Angel

I am struggling with wealth
I would marry an Angel
